INCREASE PROUCTIVITY

Dispensing tape is so easy, the safety dispenser makes any project a breeze

NEAT FINISH

Blade activates during use and cuts in a straight line, for a neat finish

SAFE FOR ALL AGES

Built-in, unexposed blade, prevents any accidental cuts or scrapes

SUITABLE FOR ANY KIND OF TAPE

Can be used across any type of tape such as paper, film or OPP

TWO CORES FOR ANY SIZE TAPE

Available with dual cores for use across most tapes, (12-24mm width /66m length)

SINGLE HANDED USE

Suctioned base for stability, making it ideal for use by children and elderly
