Nurse's Diary

The A7, one-week-to-view format Nurses' diary has been designed to assist nurses on their rounds. Small enough to fit into a pocket, the diary contains information such as a list of nurses' registration boards, usual adult medicine values, and roster duties. Also included is ample room for contact details of associates, as well as pockets for cards and ID.

Busy Woman's Diary

Designed for coordinating a busy household, this diary offers a host of handy hints and information to aid in household management. The week-to-view format allows scheduling of family events and appointments at a glance. Also included is a table for birthdays and anniversaries, a summary of astrological star signs, a list traditional and modern wedding anniversary gifts, and a reference to monthly birthstones. For additional beneficial health information, a 'Body Mass Index', comprehensive calorie guide, CPR chart, first aid advice, and a Women's Health section – written by the Royal Hospital for Women Foundation, Sydney, are included. An address book is available upon request.

University Diary

This pocket style diary has been designed specifically with the university and tertiary students in mind. In addition to the usual diary information, it includes a listing of universities, a reading list, a social activities planner, and examination and lecture timetables. The diary features a Week-to-View page layout, is wire-o bound, and sits in a quality PVC cover. Perforated notepaper and business/credit card-sized storage pockets complete this feature-packed diary.
