

Flippa™

INSTANT INFORMATION DISPLAY PANEL SYSTEM

The Australian designed and manufactured Flippa Display System keeps documents accessible and provides instant access to frequently used information.

The patented Flippa design enables panels to swing effortlessly with a touch and rest open at the perfect spot to provide the required information at a glance. The system is smooth to operate and is designed for comfortable ergonomic viewing.

Flippa 10 Panel Desktop Display

Remove and re-insert panels with ease

Each pocket features a thumb cutout for improved access to stored sheets

Fixed index tabs provide smooth and quick page turning, colour coding labels included

High quality heavy gauge clear panels are double sided and have no bulky frames

Powder coated steel base and mounting bracket

Base includes non-slip foam pads

Patented pivoting system allows panels to swing with a touch and rest open for comfortable ergonomic viewing

Modular Expansion

The 10 panel desktop display will expand to a 20 panel system by simply adding a 10 panel wall display (B180) to the existing base. To expand further, join two or more desktop systems together with the Flippa extension kit (B291).

Unlimited Uses

The Flippa System increases productivity by adding convenience and efficiency to any work environment

- In The Office
- In Banks
- In Retail Stores
- In the Factory
- In Libraries
- In Travel Agencies
- In the Hospital
- In Supermarkets
- In Trade Displays

FLIPPA INSTANT INFORMATION

Desk Top Kit

Flippa Desktop Display Systems

Flippa Desktop displays include top opening clear A4 size panels, colour coding index labels and black metal desk base and bracket. Choose between the 10 Panel or 20 panel kits.

The Flippa is a modular system, 10 Panel desktop displays can be expanded at a later date by adding a Flippa 10 Panel Wall System (B180) to the existing desk base. Multiple desk bases can also be secured together with a Flippa Extension Kit (B291)
